

Direct Sales Increase for Komplet

Written by Marco Attard
29 October 2010

Scandinavian retailer Komplett sees revenue growth, with Q3 increasing by 6% Y-o-Y. This totals NOK 970 million (EUR110 million).

Direct sales are up by 14% but reseller sales are down by 9%. Cash flow from operating activities totals NOK 38.9 million (EUR 4 million).

Company sales increase by up to 22% in Sweden and by 56% in Denmark. This follows the opening of its new pick-up point in Uppsala, Sweden.
